confidential or privileged is released to different government organizations for lawful and good purposes, and to once again remind you that next year when we come back to confidentiality relating to the Program Evaluation Committee, the Performance Audit Committee, we will be asking for some of the same types of considerations, Senator Schimek. Thank you.

SENATOR CUDABACK: Thank you, Senator Beutler. Further discussion? There are no lights on. Senator Brashear, you're recognized to close on AM3569. He waives closing. The question before the body is adoption of the Brashear amendment, AM3569. All in favor vote aye, opposed nay. The question before the body is the Brashear amendment, AM3569 to LB 1207. Have you all voted on the amendment who care to? Record please, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on the adoption of Senator Brashear's amendment.

SENATOR CUDABACK: The motion is successful. The amendment has been adopted.

CLERK: Mr. President, Senator Brashear would move to amend with AM3614. (Legislative Journal page 1559.)

SENATOR CUDABACK: Senator Brashear, to open on AM3614 to LB 1207.

SENATOR BRASHEAR: Thank you, Mr. President, members of the body. AM3614 is Senator Vrtiska's LB 1012. First, the amendment provides immunity from liability in civil actions brought by any person who tampers with or assists in tampering with anhydrous ammonia or anhydrous ammonia equipment. Such immunity applies to any person who owns, maintains, or installs anhydrous ammonia equipment; any person who uses anhydrous ammonia for any lawful purpose; any person who sells anhydrous ammonia for any lawful purpose; or any person who transports anhydrous ammonia in a manner prescribed by law. Such person will not be immune from liability if such liability is the result of that person's willful, wanton, reckless, or intentional act or omission. Next, the amendment provides definitions for anhydrous ammonia equipment and for tampering.
