FLOOR DEBATE

April 13, 2004 LB 916

SENATOR CUDABACK: Thank you, Senator McDonald. Senator Preister, there are no further lights on. You're recognized to close.

SENATOR PREISTER: Thank you, Honorable President. Mr. President, did Senator McDonald just return her time to the Chair?

SENATOR CUDABACK: Did, Senator.

SENATOR PREISTER: I think so. Mr. President, what did you do with that time?

SENATOR CUDABACK: Well, that's what...

SENATOR PREISTER: By my calculations, we have returned almost 30 minutes every day of the session. And with that 60 days, that would be 30 additional days. Are we going to extend the session a day or two, because of all that returned time?

SENATOR CUDABACK: I think it goes to time heaven, Senator Preister.

SENATOR PREISTER: Time heaven. Okay. And that may be where this bill needs to go. So with that, I too thank Senator Schrock. I thank all of the people and their staff who have been working on this bill, as well as people behind the glass. We probably collectively, with our own time and our staff time and the rewrites, put as much time into this bill as any bill that we've dealt with this session. It has been a struggle and a challenge, and sometimes heart-wrenching. But like everything else, we get through it. With that, Mr. President, I would withdraw that amendment.

SENATOR CUDABACK: Thank you, Senator Preister. And the amendment is withdrawn. Mr. Clerk, next amendment.

CLERK: Senator Beutler would move to amend, AM3656.

SENATOR CUDABACK: Senator Beutler, to open on your amendment.
