

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

April 13, 2004 LB 916

SENATOR BEUTLER: Senator Cudaback, that was anticipating a discussion on cold water streams which it looks like we're not going to have. So I'll withdraw this amendment.

SENATOR CUDABACK: It is withdrawn, Senator Beutler.

CLERK: Mr. President,...

SENATOR CUDABACK: Mr. Clerk.

CLERK: ...Senator Schrock would move to amend with AM3670. (Legislative Journal page 1597.)

SENATOR CUDABACK: Senator Schrock, to open on AM3670.

SENATOR SCHROCK: Mr. President, members of the Legislature, this is a "trust me" amendment, recommended by Bill Drafters. Does not change the intent of the bill. And that's the reason for the bill. But the changes in this amendment were recommended by Bill Drafters, not by us. And so it does not change the bill, changes no intent. Just some language. Thank you.

SENATOR CUDABACK: You've heard the opening on AM3670. Open for discussion. Senator Schrock, there are no lights on.

SENATOR SCHROCK: Mr. President, this is a clarification amendment. I'd ask you to advance it.

SENATOR CUDABACK: Thank you, Senator Schrock. You've heard the closing on AM3670 to LB 916. The question before the body is, shall that amendment be adopted? All in favor vote aye, opposed nay. We're voting on the Schrock amendment, AM3670. Have you all voted who care to? Record please, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President, on the adoption of Senator Schrock's amendment.

SENATOR CUDABACK: The amendment has been adopted.

CLERK: I have nothing further on this bill, Mr. President.
