

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

March 17, 2005 LB 739

what would the impact on the fund be?

SENATOR CUNNINGHAM: About \$4.7 million a year.

SENATOR CHAMBERS: Reduction or increase?

SENATOR CUNNINGHAM: An increase in the fund.

SENATOR CHAMBERS: So you want to reduce the benefits to the workers in order to increase the amount in the fund. Is that what would happen?

SENATOR CUNNINGHAM: That's...that's this part of it, yes.

SENATOR CHAMBERS: And who would benefit from increasing...

SENATOR CUDABACK: One minute.

SENATOR CHAMBERS: ...the amount in the fund by reducing worker benefits?

SENATOR CUNNINGHAM: It would be the ratepayers.

SENATOR CHAMBERS: And who are the ratepayers?

SENATOR CUNNINGHAM: The businesses.

SENATOR CHAMBERS: So the business community would benefit if the amendment that I'm very much opposed to were to be adopted?

SENATOR CUNNINGHAM: Yes.

SENATOR CHAMBERS: And the workers would suffer as a result of the adoption of that amendment. Is that true?

SENATOR CUNNINGHAM: By your definition, yes.

SENATOR CHAMBERS: Thank you. And my time is up, so I won't proceed further at this point on that. Thank you, Mr. President.
