FLOOR DEBATE

April 11, 2005 LB 503

SENATOR KREMER: ...for the next couple of years?

SENATOR RAIKES: This doesn't give additional...

SENATOR KREMER: Are they...?

SENATOR RAIKES: ...authority to raise money with a levy..

SENATOR KREMER: Are they supportive of doing this? I know it's going to be shared by the employees also. But then...

SENATOR RAIKES: It's a good question, Senator. And as I say, I think this is a...probably somewhat a reluctant, but an agreement,...

SENATOR KREMER: Okay.

SENATOR RAIKES: ...that this is...it's less than the amendment that was offered on Select File. There's not both levy and budget authority here. It is going part way. But I think for a number of school systems, it will help.

SENATOR KREMER: Okay. One other question. In a nonequalized school, it would really have no impact on state aid, even down the road; they would just have to go higher on their levy assessment until they get up to lid on that?

SENATOR RAIKES: Right. To the extent they remain nonequalized,...

SENATOR KREMER: Okay.

SENATOR RAIKES: ...that's true.

SENATOR KREMER: Okay. Thank you.

SENATOR RAIKES: Thank you.

SENATOR CUDABACK: Senator Raikes, there are no further lights on. Do you wish to close on your motion to return?
