FLOOR DEBATE

January 11, 2006 LB 454

SENATOR HOWARD: I think this is very, very important in dealing with this population.

SENATOR COMBS: I'd be open, between now and Select, to taking a look at that, sure.

SENATOR HOWARD: I appreciate that.

SENATOR COMBS: You bet.

SENATOR HOWARD: I think we all recognize how troubled the foster care system is and we certainly don't want to add any element...

SENATOR CUDABACK: One minute.

SENATOR HOWARD: ...that's going to cause it to have more difficulty. Thank you.

SENATOR CUDABACK: Thank you, Senator Howard. Senator Smith, followed by Senator Thompson.

SENATOR SMITH: Thank you, Mr. President and members. I'm wondering if Senator Thompson would yield to some questions.

SENATOR CUDABACK: Senator Thompson, would you yield to a question...

SENATOR THOMPSON: Yes.

SENATOR CUDABACK: ...from Senator Smith?

SENATOR SMITH: Senator Thompson, you have referenced law enforcement several times in your comments.

SENATOR THOMPSON: Uh-huh.

SENATOR SMITH: Is that accurate?

SENATOR THOMPSON: Yes.
