FLOOR DEBATE

January 20, 2006 LB 72, 454

SENATOR CHAMBERS: Thank you. Thank you, Mr. President.

PRESIDENT SHEEHY: Thank you, Senator Chambers. Further discussion on FA355? No lights. Senator Chambers, you're recognized to close.

SENATOR CHAMBERS: Thank you. Mr. President, when I raise these issues with Senator Stuhr, we're going to work our way through them the best that we can. But I'm doing this to show that there are substantive issues which have not been addressed. And if I didn't care about the bill and the need for it, I would just be ripping it to shreds and I would be doing everything I could to prevent needed changes from being made, so that you would be compelled to pass as asinine a bill here as the bill LB 454 is. But see, there is no NRA lashing and whipping you on this, and Senator Stuhr is not being dictated to by anybody who told her, you just get something through, no matter what. Her integrity means something to her. Senator Schimek has mentioned how much Senator Stuhr has been willing to work with the committee. She has worked with Senator Bourne. And I'm sure they haven't worked out everything that they may have disagreed on, but there has been a willingness to make changes. In that idiotic LB 454, that is not the case. And when the Legislature is dealing with that and you want to find one word to describe the Legislature and its process in dealing with that bill, it ought to be called "The Dunciad," or "The Dunciad," as some people say. And just a note for my friend, Senator Michael Foley, who thinks I engage in hate speech whenever I tell things about the Catholic Church that he doesn't know, the word "dunce" was coined as a pejorative for Duns Scotus by a famous Catholic order who thought Scotus was an idiot. These religious orders fought among themselves. They fought for territory. So whenever you say "dunce," if you think Scotus is good...you may not have even known where the word "Scotus" came from. You might have thought it was added to a church just like bingo is. Somebody said, that sounds good, I'll stick it on the church, like they stick bingo on all these Catholic churches. And for those who haven't heard me admit my ignorance, I thought "Bingo" was the name of a Catholic saint. I'd see these big old banners on Catholic church: Bingo. I'd see them on little cards: Bingo. And so I did a little research, and couldn't find St. Bingo.
