Transcriber's Office
FLOOR DEBATE

January 31, 2006 LB 14

SENATOR CUDABACK: One minute.

SENATOR CHAMBERS: ...the trooper who was testifying said, he said it was an accident. So here we have it. The first crime committed by this law-abiding, "Chrishian" American in outstate Nebraska, which is where I think Arnold is, killed a man. That was his first crime with a gun. He had been trained, had been in the military. So I'm going to do all I can to make sure that none of those bad bills pass. We don't have to pass any of those; we don't have to pass any others. But some have passed already, in fact, this morning, so the session is not a complete bust. You can vote for this amendment or not vote for it, but it's before you. It's delivered into your hands. Do what you will. And if it's a bitter pill,...

SENATOR CUDABACK: Time, Senator Chambers.
