FLOOR DEBATE

February 2, 2006 LB 75

the word "required" after the word "manner" in line 18 on page 1. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. You've heard the opening on FA383. Open for discussion on that amendment. Senator Landis.

SENATOR LANDIS: I would accept this change on the language about "required of a prudent investor," and I would yield the rest of my time to Senator Beutler.

SENATOR CUDABACK: Senator Beutler.

SENATOR BEUTLER: Again, in this particular instance, I...it does improve the reading of the bill, so it's very acceptable.

SENATOR CUDABACK: Thank you, Senator Beutler. Next speaker, Senator Louden.

SENATOR LOUDEN: Thank you, Mr. President and members of the body. I would like to ask Senator Beutler some questions if he would yield, please.

SENATOR CUDABACK: Senator Beutler, would you yield to a question from Senator Louden?

SENATOR BEUTLER: Yes.

SENATOR LOUDEN: You have this handout that you handed out. And I wasn't here earlier, but are these all endowment agencies, or all these agencies have endowment plans, or are they agencies that receive endowment money from other organizations or endowment funds, that you handed out?

SENATOR BEUTLER: These are organizations within the city, and it's a selection, not all of them, but a cross section of them, who receive funds. And they themselves, for the most part, would not have endowments. I suppose it's conceivable that some of them might have small endowments. But if they had large endowments, this community endowment probably wouldn't be giving them money.
