FLOOR DEBATE

February 9, 2006 LB 454A

SENATOR CUDABACK: Thank you, Senator Combs. Further discussion on the Combs amendment? Senator Chambers.

SENATOR CHAMBERS: Thank you. Mr. President, I will not vote for the A bill. And it's necessary for the A bill to catch up to the underlying bill, and that's where I do intend to wage a battle. And when we get the two bills together, I will wage a battle against the A bill also. But at this stage, I will simply vote against the A bill, and whatever the body chooses to do, it can do. So I think, in view of Senator Schimek's remarks, I should make clear what it is that I'm doing. I didn't feel there was any need for me to discuss at length the kill motion, because I do not intend to delay the A bill. But I want the NRA, that satanic organization, and its minions, whom I will not describe as imps, demons, and so forth, but if I were going to use a description or definition, those are the words I would use, they needn't think that they've gained anything other than a professional courtesy this morning. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. Further discussion on the Combs amendment? Senator Combs, there are no other lights on. You're recognized to close on AM2169.

SENATOR COMBS: Thank you very much. And I just appreciate the body's support on the passage of this bill on to Select.

SENATOR CUDABACK: Thank you, Senator Combs. You've heard the closing on AM2169. The question before the body is, shall that amendment be adopted? All in favor vote aye; opposed vote nay. We're voting on adoption of the Combs amendment to LB 454A. Have you all voted on the amendment who care to? Please record, Mr. Clerk.

CLERK: 26 ayes, 9 nays on the adoption of Senator Combs' amendment.

SENATOR CUDABACK: The amendment has been adopted.

CLERK: I have nothing further on the bill, Mr. President.
