metal?

SENATOR FRIEND: Well, you put me on the spot.

SENATOR CHAMBERS: I don't want to put you on the spot. I try to give you a hint.

SENATOR FRIEND: No, I know. And...

SENATOR CHAMBERS: What is that coin that Abraham Lincoln invented made of?

SENATOR FRIEND: What...are you thinking of the Copperfield? Is that the guy?

SENATOR CHAMBERS: Yes.

SENATOR FRIEND: I've seen...yeah, I haven't seen his act. I'm sorry.

SENATOR CHAMBERS: And what was his first name, if you can think of it?

SENATOR FRIEND: I don't remember.

SENATOR CHAMBERS: No, that wasn't it.

SENATOR FRIEND: David.

SENATOR CHAMBERS: Right, very good.

SENATOR FRIEND: Yeah, the peanut gallery helped me with that one, too.

SENATOR CHAMBERS: Now was your first vote on the board green on my other amendment?

SENATOR CUDABACK: One minute.

SENATOR FRIEND: Yes, it was.
