FLOOR DEBATE

February 21, 2006

SENATOR FOLEY: I will if you will, Senator.

SENATOR CHAMBERS: Senator Foley, when you voted against adopting the rules, you also voted against the rule that would allow for the suspension of the rules. Is that correct?

SENATOR FOLEY: Well, that's true, because it's all part of the package.

SENATOR CHAMBERS: So if you voted against that, why would you now vote for it? I'm curious. You can do that because you're a grown man and you have the right to change your mind if you want to.

SENATOR FOLEY: I think what the Speaker is asking for us...of us is quite reasonable this morning.

SENATOR CHAMBERS: So then you should act in a reasonable manner, regardless of how I act. Correct?

SENATOR FOLEY: That's true. That's very true.

SENATOR CHAMBERS: Okay. Now, if what the Speaker asks you to do is reasonable, that means you're going to be a reasonable person and vote for what the Speaker is requesting. Is that true?

SENATOR FOLEY: Yes, that's correct.

SENATOR CHAMBERS: Thank you. I'd like to ask the Speaker a question.

SENATOR CUDABACK: Speaker Brashear, would you respond?

SPEAKER BRASHEAR: Yes, Mr. President.

SENATOR CHAMBERS: Mr. Speaker, are you aware that I obtained for you a vote that you may not have gotten otherwise?

SPEAKER BRASHEAR: Yes, and I'm extremely grateful.
