FLOOR DEBATE

February 23, 2006 LB 975

talk about that big feedlot operator, that big cattle producer, the big business people who want the conventions in Omaha and you all get down on your knees, you crawl and you grovel. And you think I'm going to go along with you just because there are more of you than there are of me? Why, that is insane if that's what you think. But when...

SENATOR CUDABACK: One minute.

SENATOR CHAMBERS: ...you defeat my amendment, if you do, I'm going to immediately move to reconsider it. And it's going to be like "Henry the VIII"--second verse same as the first.
