FLOOR DEBATE

February 27, 2006

SENATOR CHAMBERS: So we don't know who sent that, do we?

SENATOR JENSEN: No. Well,...

SENATOR CHAMBERS: Does somebody...is there a name of somebody who purports to have sent that?

SENATOR JENSEN: No. And this letter that I have now, quite often when you receive an e-mail there is something on top, says "from." I don't have that on here.

SENATOR CHAMBERS: So you don't even know where that came from, do you?

SENATOR JENSEN: No. I am assuming that it came from Russell Hopp, professor of pediatrics and medicine, Creighton University.

SENATOR CHAMBERS: What did we say happens when we assume? That's okay, you don't have to say it. Senator Jensen, to whom is that letter addressed?

SENATOR JENSEN: Well, it's addressed to myself and members of the Health and Human Services Committee.

SENATOR CHAMBERS: To myself?

SENATOR JENSEN: To Jim...Senator Jim Jensen and members...

SENATOR CHAMBERS: Oh.

SENATOR JENSEN: ...of the Health and Human Services Committee,...

SENATOR CHAMBERS: You can see I'm a...

SENATOR JENSEN: ...Nebraska State Legislature.

SENATOR CHAMBERS: You can see I'm a literalist this morning.
