FLOOR DEBATE

March 7, 2006 LB 994

will have no choice other than to say, that's the way it is. I will not vote for it. I will not like it any more than I like it now. But what Senator Jensen has agreed to do is to strike that language. Then we can move on with the bill. And if, between now and the time it comes up again, he or they can find a federal requirement, then I will just have to take my lumps and face the reality that they have brought to my attention. I'm supporting Senator Jensen's amendment. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. Further discussion on the Jensen amendment to the amendment? There are no lights on. Senator Jensen, you're recognized to close.
