SENATOR JANSSEN: Thank you, Senator Cudaback, members of the
Legislature.   As Senator Mines stated, the General Affairs
Committee heard this bill last year and advanced it unanimously.
There were no opponents to this bill.   This amendment is
revised, a cleaner version of LB 388, which I support.   Senator
Mines' office has worked on this language with the Department of
Roads and the Department of Motor Vehicles to ensure that the
amendment provisions comply with the federal mandate on our open
containers laws. And I think the proper safeguards are in place
towards the safety of the bill, and I would ask for your support
of this amendment. Thank you.

SENATOR CUDABACK: Thank you, Senator Janssen.   Further
discussion on the Mines amendment? Senator Chambers.

SENATOR CHAMBERS: Yes.   Mr. President, members of the
Legislature, one second, and I'm coming right back to the mike.

SENATOR CUDABACK: Senator Chambers.

SENATOR CHAMBERS: Mr. President, we're having such a convivial
time here this afternoon that I do not want to spoil it. And
that is a word that relates to--I know Senator Hudkins knows
what that means, and I see others nodding--good food, good
company, and drinking. I just thought I'd throw that in.   I
support Senator Mines' amendment, and I will support the bill,
in the spirit of conviviality. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers.   Further
discussion on the Mines amendment? Senator Mines, there are no
lights on. Senator Mines waives closing.   The question before
the body is, shall AM2447 be adopted to LB 562? All in favor
vote aye; opposed, nay. We're voting on adoption of the Mines
amendment, AM2447, to LB 562.   Have you all voted on the
question who care to? Please record, Mr. Clerk.

CLERK: 32 ayes, 0 nays on the adoption of Senator Mines'
amendment.

SENATOR CUDABACK: The Mines amendment has been adopted.
