FLOOR DEBATE

March 7, 2006

LB 248, 829

motor vehicle shall have been paid or be paid to the county treasurer or designated county official prior to the registration of the motor vehicle for the following registration period. What we're having is some people obtaining title, transferring that to a friend, a spouse, a relative, or something or other, and thereby skipping the sales tax on the transfer between parties. They may not be related parties, but just between parties. This specifies that if the vehicle transferred is being transferred as a gift or for a nominal amount, that it shall be paid, before it's transferred on, at that value of that vehicle. It's a means people are using to get around some sales tax; needs to be addressed. The amendment addresses that. Thank you very much.

Have you all voted on the motion who wish to? Please record, Mr. Clerk.

ASSISTANT CLERK: 29 ayes, 0 nays on the adoption of Senator Baker's amendment.

SENATOR CUDABACK: The Baker amendment has been adopted. Mr. Clerk.

SENATOR CUDABACK: Senator Bourne, to open on AM2110 to LB 248.

SENATOR BOURNE: Thank you, Mr. President, members. Before I go into saying what this amendment does, I actually feel like I owe Senator Baker an apology. When this bill was on General File as part of a committee amendment, he adopted some language in the committee amendment that is basically LB 829. And I don't believe there was much discussion, if any, on the amendment, and I was, I think, off the floor conducting some legislative
