FLOOR DEBATE

March 8, 2006

PRESIDENT SHEEHY: One minute.

SENATOR CHAMBERS: A bombardier?

SENATOR BAKER: No.

SENATOR CHAMBERS: Who risks the most, an EMT or a bombardier?

SENATOR BAKER: Well, during times of war I would think it would be a bombardier.

SENATOR CHAMBERS: When does a person serve as a bombardier other than during time of war?

SENATOR BAKER: Well, they may be in training and, obviously, we still have planes flying and so on in peacetime.

SENATOR CHAMBERS: Do you think a pilot should be able to put that fact on a license plate?

SENATOR BAKER: No. To answer some of your...provide a little insight, I think what the bill is, it's simply branches of service is what we're addressing in the license plate bill, not specific areas of service.

SENATOR CHAMBERS: Well, how about Army? Army is a branch of the service. Should that be on the license plate?

SENATOR BAKER: I think that's in there, yes.

SENATOR CHAMBERS: And Navy?

SENATOR BAKER: Yes.

SENATOR CHAMBERS: Marines?

SENATOR BAKER: Yes.

SENATOR CHAMBERS: Coast Guard?

SENATOR BAKER: Yes.
