FLOOR DEBATE

March 13, 2006 LB 786

SENATOR MINES: Well, it could be both inside and outside. I see your point, and just without thinking any further, I'm sure we could lose that, couldn't we?

SENATOR CHAMBERS: That's what I think, because it might create an ambiguity,...

SENATOR MINES: It sure could.

SENATOR CHAMBERS: ...but it certainly is not clear what it adds to the definition.

SENATOR MINES: You're exactly right.

SENATOR CHAMBERS: And Mr. President, that's all I would have, but I again will answer questions that anybody may want to put to me on the amendment.

SENATOR CUDABACK: Thank you, Senator Chambers. Senator Brown.

SENATOR BROWN: Mr. President, members, Senator Chambers is finding lots of technical issues that we...as I said when I spoke before, this bill was a work in progress. And so I think that there are some things...having gone through now all, I think, all of the Chambers amendments, and thinking that some of them are...probably have more merit than others, but they're all okay, at least from my first reading of them, wouldn't it make more sense for us to try to do this as an amendment, one full amendment to fix the technical pieces, before we come back on Select File? I would just suggest that as a way to deal with it, because I think that it might be more...we might be able to get a better work product than trying to do it the way we've been doing it this morning. Thank you.

SENATOR CUDABACK: Thank you, Senator Brown. Senator Chambers, there are no further lights on. You're recognized to close on FA555.

SENATOR CHAMBERS: Thank you. Mr. President, members of the Legislature, my reason for proceeding in this fashion is because I know there are people other than those on the committee who
