SENATOR CHAMBERS: No, no, page 2 of the amendment. Go to the next page.

SENATOR COMBS: Okay, may prioritize applications for contracts?

SENATOR CHAMBERS: No, you must have a different version than I have.

SENATOR COMBS: Okay.

SENATOR CHAMBERS: Do you see where it says Section 2?

SENATOR COMBS: With a preference? Yeah, with a preference for local health departments. Yeah, that's what I've got here. Hospitals and federally qualified health centers, that's what the Fiscal Office just (inaudible).

SENATOR CHAMBERS: No, I will read you the part that I'm talking about: The department may contract with a provider who provides some but not all of the services described in this section.

SENATOR COMBS: Oh, okay. That's at the end of the paragraph there. I got it.

SENATOR CHAMBERS: Yes, so that means some of these services could be excluded, and these entities would still be contracted with by HHS. And I think anyone which is contracted with by HHS should provide all of these services.

SENATOR COMBS: Well, I don't see that listed. Contraception is not listed in paragraph right above that. It's got, shall only be used for the following purposes: reimbursement for the provision of Pap smears, colposcopy--which is checking out the uterus, cervical biopsy, cryotherapy, loop electrosurgical excision procedure--taking, like, warts off the cervix, and other such treatments and procedures as may be developed for the follow up of abnormal Pap smears; diagnosis and treatment of sexually transmitted diseases, including, but not limited to, chlamydia, gonorrhea, HPV--genital warts, and herpes; and associated laboratory and equipment costs and staff training costs related to the use of colposcopy equipment. So all of
