the \$1.5 million. But just the income off of that doesn't generate an awful lot of money, that that's all that it is. Do you know how much is built up now? The \$5 million, does that go in each year \$5 million, or is that just a...because the appropriation shows \$5 million already going in there, so do we have \$5 million going in here to the endowment, to increase that endowment each year?

SENATOR BEUTLER: Senator, would you reframe that question? I wasn't sure I heard the entire thing.

SENATOR KREMER: The appropriations, as \$5 million, this was going to increase it...

SENATOR BEUTLER: Right.

SENATOR KREMER: ...by \$5 million. Is the appropriations, \$5 million, each year? Is it always \$5 million going to the endowment?

SENATOR BEUTLER: No, no. It's...the original \$5 million was a one-time thing.

SENATOR KREMER: For endowment?

SENATOR BEUTLER: For the endowment, and this money this year would be a one-year injection of money, whatever amount we make,...

SENATOR KREMER: The original \$5 million?

SENATOR BEUTLER: ...into the endowment. It would add to the original \$5 million. Correct.

SENATOR KREMER: Okay, has any been added to that since that original (inaudible)?

SENATOR BEUTLER: No, 1996 was the last year when revenues were good enough to do this...

SENATOR KREMER: Okay.
