FLOOR DEBATE

March 22, 2006 LB 808

CLERK: I have nothing further.

SENATOR CUDABACK: Thank you, Mr. Clerk. Discussion of the advancement of LB 808? There are no lights. Senator Chambers, you are recognized.

SENATOR CHAMBERS: Mr. President and members of the Legislature, I'd like to ask Senator Landis a question or two.

SENATOR CUDABACK: Senator Landis, would you yield?

SENATOR LANDIS: Senator Chambers.

SENATOR CHAMBERS: Senator Landis, you saw how, true to my word, I got out of the way on the previous bill, correct?

SENATOR LANDIS: Yes, you did. Yes, you did.

SENATOR CHAMBERS: And everybody had an opportunity to see how quickly and smoothly things can move when somebody has gotten me out of the way, correct?

SENATOR LANDIS: (Laugh) And look what we did.

SENATOR CHAMBERS: And you probably thought I was going to do the same thing on this bill, correct? Be honest.

SENATOR LANDIS: I certainly was...I was certainly curious; let me put it that way. My interest level was very high.

SENATOR CHAMBERS: Well, if you thought I was going to get out of the way on this one, you're absolutely correct.

SENATOR LANDIS: Aaah.

SENATOR CHAMBERS: I'm not in the way. I just wanted to call people's attention to it so that they became aware...

SENATOR LANDIS: Thank you.
