March 23, 2006        LB 1060

CLERK:   (Roll call vote began.)

SENATOR CUDABACK:   Members, keep the noise down, if you can.

CLERK:       (Roll    call    vote    taken,    Legislative    Journal
pages 1147-1148.)    25 ayes, 11 nays, Mr. President,    on    the
amendment.

SENATOR   CUDABACK:       The motion was successful.   I do raise the
call.

CLERK:   Mr. President, the next amendment I have to the bill  is
by   Senator   Don   Pederson,   AM2868.    (Legislative   Journal
pages 1148-1149.)

SENATOR CUDABACK:   Senator Pederson, you're recognized to open.

SENATOR D. PEDERSON:   Mr. President, members of the Legislature,
hopefully I have the right number in front of me.    This   is   a
series   of   small   corrections   in   the   budget.    This...in the
proposal that we have, there were some   minor   corrections   that
have   taken   place,   and   I'll go through them one at a time.   I
sent an e-mail to each member of the Appropriations Committee so
that they would understand these are   merely   corrective   items.
The   first   one that we have just inserts a correct name for the
fund.    In   the   amendment   it   says   strike   Nebraska   Capital
Construction   Fund   and   insert State Building Fund.   So that's
number one.   Number two corrects the earmark   language   to   show
the   correct   fiscal   year.    There was an error in that, as you
would have in a document as   lengthy   as   this,   and   it   merely
changes   the   year   '05-06   and   inserts   '06-07,   and   '06-07 and
inserts '05-06.   So it just...they were reversed.   Number three,
adjust   the   Nebraska   State   College   System   General   Fund
appropriation   to   reflect   a   lower estimate of health insurance
costs.    So the amendment   actually   just   simply   reflects   the
reduction,   and   they   report   to   us   each year and they make a
determination as to what their costs are   going   to   be.    They
estimate   them,   and   when they came in they were less, so we've
reflected that.   Number four is, reduces   the   salary   limit   by
$60,000 for '06-07 on a position that was added to the Community
Corrections   Council.    They   found   that   the position was not
