Kremer, to close...I'm sorry it's Senator...no, to close...Senator Schimek, this...it's your right to close on the bill. Sorry. Thank you.

SENATOR SCHIMEK: Thank you, Mr. President and members. I think this will put in place a process that will assure that Governor and the Legislature have oversight over any kind of land leased for new construction at the State Fair. All the land is owned by the state out there, and I have just been told by the administration that all the buildings out there are owned by the State Fair. Now, I think there may be some of those little stalls or vending places that may be owned by the vendors, that are moved off of the property from time to time. I'm not sure about that. But the administration says all the buildings out there are owned by the state and the State Fair.

SENATOR BAKER: Thank you, Senator Schimek. The question is advancement of LB 1038 to Select File. All those in favor vote aye; those opposed vote nay. Have you all voted who care to vote? Record please, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 1038.
