FLOOR DEBATE

April 3, 2006 LB 489A, 1024A, 1060, 1061, 1126, 1131, 1248

A bills. (Read LB 1024A and LB 489A by title for the first time.) Communication from the Governor. (Read re LB 1061, LB 1126, LB 1131.) Second communication. (Read re LB 1060.) I might indicate to the membership that copies will be distributed of the Governor's letter, Mr. President. (Legislative Journal pages 1397-1406.)

Mr. President, LB 1248, the second amendment I have to the committee amendments, Senator Beutler, FA663. (Legislative Journal page 1406.)

SENATOR CUDABACK: Senator Beutler, you're recognized to open on your amendment to the committee amendments to LB 1248, FA663.

SENATOR BEUTLER: Senator Cudaback, members of the Legislature, FA663 is some language that the amendment would purport to restore that was stricken from Section 12 of the bill. I thought it was helpful language. Senator Jensen has indicated that the language can be restored, but probably shouldn't be restored at the exact place that I was suggesting. So that being the case, I would like to withdraw that amendment and Senator Jensen's staff and myself can work on that between now and Select File.

SENATOR CUDABACK: FA663 is withdrawn.

CLERK: Senator Beutler, FA664.

SENATOR CUDABACK: Senator Beutler, on FA664, you're recognized to open.

SENATOR BEUTLER: Senator Cudaback, I would ask leave of the Legislature to substitute AM3035 for FA664.

SENATOR CUDABACK: With no objection, so ordered. (AM3035, Legislative Journal page 1406.)

SENATOR BEUTLER: Let me just read you quickly what this amendment says. It says, "No rules and regulations proposed under this section shall be finally adopted or implemented prior to the conclusion of the next complete legislative session
