

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

April 10, 2006      LB 1232, 1248

discussion with various senators, including Senator Beutler, Senator Chambers, and AM3193 was introduced earlier this afternoon, hopefully to address the intervening legislative session. I believe Senator Beutler intends to withdraw his pending amendment so that AM3193 could be taken up. Senator Chambers has also reviewed the amendment, and I believe he is in general agreement with it, and I'll introduce a technical amendment on General File that I also have introduced, after talking with Senator Chambers; also one amendment to include LB 1232 into the bill. I believe all of the amendments filed to the bill currently would then be withdrawn. Thank you, Mr. President, for that brief introduction.

SENATOR CUDABACK: Thank you, Senator Jensen. We now go to Senator Beutler, AM3035.

SENATOR BEUTLER: Senator Cudaback, Mr. Clerk, we have reached a compromise on this matter, and I would withdraw that amendment and any other amendments I've filed to the bill.

SENATOR CUDABACK: Mr. Clerk, please. They are withdrawn.

CLERK: Senator Cunningham, I have AM3006, with a note you want to withdraw that, Senator.

SENATOR CUDABACK: Senator Cunningham?

SENATOR CUNNINGHAM: Thank you. Yes, I do wish to withdraw that.

SENATOR CUDABACK: It is withdrawn, also.

CLERK: Senator Jensen, I have AM3007.

SENATOR JENSEN: Mr. President, I'd like to withdraw that and refile on Select File.

SENATOR CUDABACK: So ordered.

CLERK: Senator Beutler has FA668, but everything goes away, Senator? Thank you.
