FLOOR DEBATE

April 11, 2006 LB 126, 1024

please?

SENATOR CUDABACK: Senator Kremer, would you yield?

SENATOR KREMER: Yes, I would.

SENATOR FISCHER: Senator Kremer, I know that you, with grave misgivings, supported LB 126 last year. Would you support Senator Connealy's amendment to repeal it?

SENATOR KREMER: I haven't decided yet. I wish there could be a stay in the action until after the election so that there wouldn't be a lot of schools that go ahead and do the consolidation, but I haven't really decided yet. Sorry.

SENATOR FISCHER: Okay. Thank you, Senator Kremer. Mr. President, would Senator Cornett yield to a question, please?

SENATOR CUDABACK: Senator Cornett, would you yield?

SENATOR CORNETT: Yes.

SENATOR CUDABACK: And 1 minute, also.

SENATOR FISCHER: Senator Cornett, I know that in the end you supported LB 126. Would you support now Senator Connealy's amendment to repeal it?

SENATOR CORNETT: As you know...as you know, we had many conversations over LB 126 and that was probably the hardest vote I had last year and, knowing what I know now, no, I would support Senator Connealy's amendment.

SENATOR FISCHER: Thank you. Mr. President, would Senator Pahls yield to a question, please?

SENATOR CUDABACK: Senator Pahls, will you yield?

SENATOR PAHLS: Yes.
