Sec. 5. Section 60-396, Revised Statutes Cumulative Supplement, 2018, is amended to read:

60-396 Whenever the registered owner files an application with the county treasurer showing that a motor vehicle or trailer is disabled and has been removed from service, the registered owner may, by returning the registration certificate, the license plates, and, when appropriate, the validation decals or, in the case of the unavailability of such registration certificate or certificates, license plates, or validation decals, then by making an affidavit to the county treasurer of such disablement and removal from service, receive a credit for a portion of the registration fee from the fee deposited with the State Treasurer at the time of registration based upon the number of unexpired months remaining in the registration year except as otherwise provided in sections 60-3,121, 60-3,122.02, 60-3,122.04, 60-3,128, 60-3,224, 60-3,227, 60-3,233, and 60-3,235 and section 9 of this act. The owner shall also receive a credit for the unused portion of the motor vehicle tax and fee based upon the number of unexpired months remaining in the registration year. When the owner registers a replacement motor vehicle or trailer at the time of filing such affidavit, the credit may be immediately applied against the registration fee and the motor vehicle tax and fee for the replacement motor vehicle or trailer. When no such replacement motor vehicle or trailer is so registered, the county treasurer shall forward the application and affidavit, if any, to the State Treasurer who shall determine the amount, if any, of the allowable credit for the registration fee and issue a credit certificate to the
owner. For the motor vehicle tax and fee, the county treasurer shall
determine the amount, if any, of the allowable credit and issue a credit
certificate to the owner. When such motor vehicle or trailer is removed
from service within the same month in which it was registered, no credits
shall be allowed for such month. The credits may be applied against taxes
and fees for new or replacement motor vehicles or trailers incurred
within one year after cancellation of registration of the motor vehicle
or trailer for which the credits were allowed. When any such motor
vehicle or trailer is reregistered within the same registration year in
which its registration has been canceled, the taxes and fees shall be
that portion of the registration fee and the motor vehicle tax and fee
for the remainder of the registration year.

60-3,130.04 (1) An owner of a historical vehicle eligible for registration under section 60-3,130 may use a license plate or plates designed by this state in the year corresponding to the model year when the vehicle was manufactured in lieu of the plates designed pursuant to section 60-3,130.03 subject to the approval of the department. The
department shall inspect the plate or plates and may approve the plate or plates if it is determined that the model-year license plate or plates are legible and serviceable and that the license plate numbers do not conflict with or duplicate other numbers assigned and in use. An original-issued license plate or plates that have been restored to original condition may be used when approved by the department.

(2) The department may consult with a recognized car club in determining whether the year of the license plate or plates to be used corresponds to the model year when the vehicle was manufactured.

(3) If only one license plate is used on the vehicle, the license plate shall be placed on the rear of the vehicle. The owner of a historical vehicle may use only one plate on the vehicle even for years in which two license plates were issued for vehicles in general.

(4) License plates used pursuant to this section corresponding to the year of manufacture of the vehicle shall not be personalized message license plates, Pearl Harbor license plates, prisoner-of-war license plates, disabled veteran license plates, Purple Heart license plates, amateur radio station license plates, Nebraska Cornhusker Spirit Plates, handicapped or disabled person license plates, specialty license plates, special interest motor vehicle license plates, Military Honor Plates, Nebraska 150 Sesquicentennial Plates, Breast Cancer Awareness Plates, Mountain Lion Conservation Plates, Choose Life License Plates, or Native American Cultural Awareness and History Plates, or Spay and Neuter Awareness Plates.

Sec. 8. (1) The department shall design license plates to be known as Spay and Neuter Awareness Plates. The design shall include the words "I support responsible pet owners" along the bottom of the plate. The design shall be selected on the basis of limiting the manufacturing cost of each plate to an amount less than or equal to the amount charged for license plates pursuant to section 60-3,102. The department shall make applications available for this type of plate when it is designed. The
department may adopt and promulgate rules and regulations to carry out this section and section 9 of this act.

(2) One type of plate under this section shall be alphanumeric plates. The department shall:

(a) Assign a designation up to five characters; and

(b) Not use a county designation.

(3) One type of plate under this section shall be personalized message plates. Such plates shall be issued subject to the same conditions specified for personalized message license plates in section 60-3,118, except that a maximum of five characters may be used.

Sec. 9. An applicant receiving a plate under this section for a farm truck with a gross weight of over sixteen tons shall affix the appropriate tonnage decal to the plate. The department shall make forms available for such applications through the county treasurers. The license plates shall be issued upon payment of the license fee described in subsection (2) of this section.

(2) In addition to all other fees required for registration under the Motor Vehicle Registration Act, each application for initial issuance or renewal of personalized message Spay and Neuter Awareness Plates shall be accompanied by a fee of forty dollars. No such additional fee shall be due for the initial issuance or renewal of alphanumeric Spay and Neuter Awareness Plates. County treasurers collecting fees pursuant to this subsection shall remit them to the State Treasurer. The State Treasurer shall credit forty dollars of the fee to the Spay and Neuter Awareness Fund.

(3) When the department receives an application for Spay and Neuter Awareness Plates, the department may deliver the plates and registration...
(4) The owner of a motor vehicle or trailer bearing Spay and Neuter Awareness Plates may apply to the county treasurer to have such plates transferred to a motor vehicle or trailer other than the motor vehicle or trailer for which such plates were originally purchased if such motor vehicle or trailer is owned by the owner of the plates. The owner may have the unused portion of the fee for the plates credited to the other motor vehicle or trailer which will bear the plates at the rate of eight and one-third percent per month for each full month left in the registration period. Application for such transfer shall be accompanied by a fee of three dollars. Fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

(5) If the cost of manufacturing Spay and Neuter Awareness Plates at any time exceeds the amount charged for license plates pursuant to section 60-3,102, any money to be credited to the Spay and Neuter Awareness Fund shall instead be credited first to the Highway Trust Fund in an amount equal to the difference between the manufacturing costs of Spay and Neuter Awareness Plates and the amount charged pursuant to section 60-3,102 with respect to such plates and the remainder shall be credited to the Spay and Neuter Awareness Fund.
