6 amended to read:

7 2-945.02 The Legislature finds and declares that:

8 (1) The failure to control noxious weeds on lands in this state is a  
9 serious problem which is detrimental to the production of crops and  
10 livestock and to the welfare of residents of this state and which may  
11 devalue land and reduce tax revenue;

12 (2) It is the purpose of the Noxious Weed Control Act to establish a  
13 workable framework, delineate responsibilities, encourage education of  
14 the public concerning noxious weeds, and provide the necessary authority  
15 to effectively control noxious weeds;

16 (3) It is the duty of each person who owns or controls land to  
17 effectively control noxious weeds on such land. County boards or control  
18 authorities are responsible for administration of noxious weed control  
19 laws at the county level; and

20 (4) The Department of Agriculture should have responsibility for (a)  
21 establishing basic standards such as designating which plants are to be  
22 considered noxious weeds and which control measures are to be used in  
23 particular situations and (b) monitoring implementation of the act by the  
24 control authorities.  ~~; and~~

25 ~~(5) A state noxious weed advisory committee shall be convened by the~~

5 director, the Cooperative Extension Service, the control authorities, and  
6 any other body the director deems appropriate. The director shall, from  
7 time to time, adopt and promulgate rules and regulations on methods for  
8 control of noxious weeds and adopt and promulgate such rules and  
9 regulations as are necessary to carry out the act. Whenever special weed  
10 control problems exist in a county involving weeds not included in the  
11 rules and regulations, the control authority may petition the director to  
12 bring such weeds under the county control program. The petition shall  
13 contain the approval of the county board. Prior to petitioning the  
14 director, the control authority, in cooperation with the county board,  
15 shall hold a public hearing and take testimony upon the petition. Such  
16 hearing and the notice thereof shall be in the manner prescribed by the  
17 Administrative Procedure Act. A copy of the transcript of the public

23 (ii) require information and reports from any control authority as to the  
24 presence of noxious weeds and other information relative to noxious weeds  
25 and the control thereof in localities where such control authority has  
26 jurisdiction, (iii) cooperate with control authorities in carrying out  
27 other laws administered by him or her, (iv) cooperate with agencies of  
28 federal and state governments and other persons in carrying out his or  
29 her duties under the Noxious Weed Control Act, (v) with the consent of

2 agency involved, control noxious weeds on federal lands within this  
3 state, with reimbursement, when deemed by the director to be necessary to

6 suited to the control thereof, (viii) call and attend meetings and  
7 conferences dealing with the subject of noxious weeds, (ix) disseminate  
8 information and conduct educational campaigns with respect to control of  
9 noxious weeds, (x) procure materials and equipment and employ personnel

12 administration of the act.

13 (c) The director may (i) temporarily designate a weed as a noxious  
14 weed for up to eighteen months if the director, ~~in consultation with the~~  
15 ~~advisory committee created under section 2-965.01,~~ has adopted criteria  
16 for making temporary designations and (ii) apply for and accept any gift,  
17 grant, contract, or other funds or grants-in-aid from the federal  
18 government or other public and private sources for noxious weed control  
19 purposes and account for such funds as prescribed by the Auditor of  
20 Public Accounts.

21 (d) When the director determines that a control authority has  
22 substantively failed to carry out its duties and responsibilities as a  
23 control authority or has substantively failed to implement a county weed  
24 control program, he or she shall instruct the control authority regarding  
25 the measures necessary to fulfill such duties and responsibilities. The  
26 director shall establish a reasonable date by which the control authority  
27 shall fulfill such duties and responsibilities. If the control authority  
28 fails or refuses to comply with instructions by such date, the Attorney  
29 General shall file an action as provided by law against the control  
30 authority for such failure or refusal.

31 (2)(a) Each control authority shall carry out the duties and

1 responsibilities vested in it under the act with respect to land under  
2 its jurisdiction in accordance with rules and regulations adopted and

16 superintendent shall be reimbursed for mileage at a rate equal to or  
17 greater than the rate provided in section 81-1176.

18 (b) Under the direction of the control authority, it shall be the  
19 duty of every weed control superintendent to examine all land under the  
20 jurisdiction of the control authority for the purpose of determining  
21 whether the Noxious Weed Control Act and the rules and regulations  
22 adopted and promulgated by the director have been complied with. The weed  
23 control superintendent shall: (i) Compile such data on infested areas and  
24 controlled areas and such other reports as the director or the control

3 (c) In cases involving counties in which municipalities have  
4 ordinances for weed control, the control authority may enter into  
5 agreements with municipal authorities for the enforcement of local weed  
6 ordinances and may follow collection procedures established by such  
7 ordinances. All money received shall be deposited in the noxious weed  
8 control fund or, if no noxious weed control fund exists, in the county  
9 general fund.

11 2016, is amended to read:

12 2-958.02 (1) From funds available in the Noxious Weed and Invasive  
13 Plant Species Assistance Fund, the director may administer a grant  
14 program to assist local control authorities and other weed management  
15 entities in the cost of implementing and maintaining noxious weed control  
16 programs and in addressing special weed control problems as provided in  
17 this section.

18 (2) The director shall receive applications by local control  
19 authorities and weed management entities for assistance under this  
20 subsection and, ~~in consultation with the advisory committee created under~~  
21 ~~section 2-965.01,~~ award grants for any of the following eligible  
22 purposes:

23 (a) To conduct applied research to solve locally significant weed  
24 management problems;

25 (b) To demonstrate innovative control methods or land management  
26 practices which have the potential to reduce landowner costs to control  
27 noxious weeds or improve the effectiveness of noxious weed control;

28 (c) To encourage the formation of weed management entities;

29 (d) To respond to introductions or infestations of invasive plants  
30 that threaten or potentially threaten the productivity of cropland and  
31 rangeland over a wide area;

1 (e) To respond to introductions and infestations of invasive plant  
2 species that threaten or potentially threaten the productivity and  
3 biodiversity of wildlife and fishery habitats on public and private  
4 lands;

5 (f) To respond to special weed control problems involving weeds not  
6 included in the list of noxious weeds promulgated by rule and regulation  
7 of the director if the director has approved a petition to bring such  
8 weeds under the county control program;

9 (g) To conduct monitoring or surveillance activities to detect, map,  
10 or determine the distribution of invasive plant species and to determine  
11 susceptible locations for the introduction or spread of invasive plant  
12 species; and

13 (h) To conduct educational activities.

14 (3) The director shall select and prioritize applications for  
15 assistance under subsection (2) of this section based on the following  
16 considerations:

17 (a) The seriousness of the noxious weed or invasive plant problem or  
18 potential problem addressed by the project;

19 (b) The ability of the project to provide timely intervention to  
20 save current and future costs of control and eradication;

21 (c) The likelihood that the project will prevent or resolve the  
22 problem or increase knowledge about resolving similar problems in the  
23 future;

24 (d) The extent to which the project will leverage federal funds and  
25 other nonstate funds;

26 (e) The extent to which the applicant has made progress in

29 approach to the control or eradication of noxious weeds or invasive plant  
30 species as identified and listed by the Nebraska Invasive Species

8 subsection and shall award grants to recipients and programs eligible

11 priorities and plans and policies of the Riparian Vegetation Management  
12 Task Force established under section 2-970. Beginning in fiscal year  
13 2016-17, it is the intent of the Legislature to appropriate one million  
14 dollars annually for the management of vegetation within the banks of a  
15 natural stream or within one hundred feet of the banks of a channel of  
16 any natural stream. Such funds shall only be used to pay for activities  
17 and equipment as part of vegetation management programs that have as  
18 their primary objective improving conveyance of streamflow in natural  
19 streams. Grants from funds appropriated as provided in this subsection  
20 shall be disbursed only to weed management entities, local weed control  
21 authorities, and natural resources districts whose territory includes  
22 river basins, with priority given to river basins that are the subject of

28 (5) Nothing in this section shall be construed to relieve control  
29 authorities of their duties and responsibilities under the Noxious Weed  
30 Control Act or the duty of a person to control the spread of noxious  
31 weeds on lands owned and controlled by him or her.

1 (6) The Department of Agriculture may adopt and promulgate necessary  
2 rules and regulations to carry out this section.

3 (7) The director may annually apply for conservation funding from

26 amended to read:

27 2-1816 Any person, for the purpose of obtaining information relative  
28 to the cost of potato inspection and grading services for a designated  
29 area, may request in writing that an estimate be prepared by the director  
30 of the costs of such a service. The director may ~~consult with the~~  
31 ~~Nebraska Potato Development Committee~~ to establish an estimated

1 inspection fee based upon the inspector's salary, mileage and other  
2 travel expenses, cost of inspection certificates, and other necessary  
3 expenses to cover the inspection service and the administration thereof.

4 To establish compulsory inspection of commercial shipments of  
5 potatoes in a designated area, a petition, signed by potato growers  
6 representing fifty-one percent or more of the commercial potato acreage  
7 of the last preceding crop year, with an estimate of inspection costs  
8 attached, may be presented to the director requesting that all commercial

19 commercial potato acreage of the last preceding crop year are in favor of  
20 the compulsory program set forth in the petition request, the director  
21 shall enter an order establishing compulsory inspection of commercial

25 preceding crop year, may be filed with the director at any time and such  
26 petition shall be set for public hearing in the manner provided in this  
27 section ~~aforsaid~~. If the director finds from the evidence submitted at  
28 such hearing to terminate inspection services that the petition to  
29 terminate represents fifty-one percent or more of the commercial potato  
30 acreage of the last preceding crop year, he or she shall enter an order  
31 declaring that compulsory potato inspection is terminated. In order to

1 determine the commercial potato acreage of the last preceding crop year,  
2 the director shall use the tabulated crop acreage reports of the county

5 employers under the rating system for that class of business shall not  
6 vary from the index rate by more than twenty-five percent of the index  
7 rate;

8 (c) The percentage increase in the premium rate charged to a small  
9 employer for a new rating period may not exceed the sum of the following:

10 (i) The percentage change in the new business premium rate measured  
11 from the first day of the prior rating period to the first day of the new

18 employers;

19 (ii) Any adjustment, not to exceed fifteen percent annually and  
20 adjusted pro rata for rating periods of less than one year, due to the

29 dependents. Any such adjustment shall be applied uniformly to the rates  
30 charged for all employees and dependents of the small employer;

31 (e) Premium rates for health benefit plans shall comply with the

1 requirements of this section ~~notwithstanding any assessments paid or~~  
2 ~~payable by small employer carriers pursuant to section 44-5261;~~

4 characteristic in establishing premium rates, provided that the highest

6 the lowest rate factor associated with any industry classification by  
7 more than fifteen percent;

8 (g) In the case of health benefit plans delivered or issued for

15 (i) The percentage change in the new business premium rate measured  
16 from the first day of the prior rating period to the first day of the new  
17 rating period. In the case of a health benefit plan into which the small

19 employer carrier shall use the percentage change in the base premium rate  
20 if such change does not exceed, on a percentage basis, the change in the  
21 new business premium rate for the most similar health benefit plan into

26 rate manual for the class of business;

27 (h)(i) Small employer carriers shall apply rating factors, including  
28 case characteristics, consistently with respect to all small employers in  
29 a class of business. Rating factors shall produce premiums for identical  
30 groups which differ only by the amounts attributable to plan design and  
31 do not reflect differences due to the nature of the groups assumed to

1 select particular health benefit plans.

2 (ii) A small employer carrier shall treat all health benefit plans  
3 issued or renewed in the same calendar month as having the same rating  
4 period;

5 (i) For the purposes of this subsection, a health benefit plan that  
6 contains a restricted network provision shall not be considered similar  
7 coverage to a health benefit plan that does not contain such a provision  
8 if the restriction of benefits to network providers results in  
9 substantial differences in claim costs;

10 (j) The small employer carrier shall not use case characteristics,  
11 other than age, gender, industry, geographic area, family composition,  
12 and group size without the prior approval of the director;

20 of the groups assumed to select particular health benefit plans; and

21 (ii) Prescribe the manner in which case characteristics may be used  
22 by small employer carriers.

23 (2) A small employer carrier shall not transfer a small employer  
24 involuntarily into or out of a class of business. A small employer  
25 carrier shall not offer to transfer a small employer into or out of a  
26 class of business unless such offer is made to transfer all small  
27 employers in the class of business without regard to case  
28 characteristics, claim experience, health status, or duration of coverage  
29 since issue.

30 (3) The director may suspend for a specified period the application  
31 of subdivision (1)(a) of this section as to the premium rates applicable

1 to one or more small employers included within a class of business of a  
2 small employer carrier for one or more rating periods upon a filing by  
3 the small employer carrier and a finding by the director either that the  
4 suspension is reasonable in light of the financial condition of the small  
5 employer carrier or that the suspension would enhance the efficiency and  
6 fairness of the marketplace for small employer health insurance.

7 (4) In connection with the offering for sale of any health benefit  
8 plan to a small employer, a small employer carrier shall make a  
9 reasonable disclosure, as part of its solicitation and sales materials,  
10 of all of the following:

14 employees of the small employer and their dependents;

15 (b) The provisions of the health benefit plan concerning the small  
16 employer carrier's right to change premium rates and the factors, other  
17 than claim experience, that affect changes in premium rates;

18 (c) The provisions relating to the renewability of policies and  
19 contracts; and

20 (d) The provisions relating to any preexisting condition provision.

21 (5)(a) Each small employer carrier shall maintain at its principal  
22 place of business a complete and detailed description of its rating  
23 practices and renewal underwriting practices, including information and  
24 documentation that demonstrate that its rating methods and practices are  
25 based upon commonly accepted actuarial assumptions and are in accordance  
26 with sound actuarial principles.

27 (b) Each small employer carrier shall file with the director  
28 annually on or before March 15, an actuarial certification certifying  
29 that the carrier is in compliance with the act and that the rating  
30 methods of the small employer carrier are actuarially sound. Such  
31 certification shall be in a form and manner, and shall contain such

1 information, as specified by the director. A copy of the certification  
2 shall be retained by the small employer carrier at its principal place of  
3 business.

4 (c) A small employer carrier shall make the information and  
5 documentation described in subdivision (a) of this subsection available  
6 to the director upon request. Except in cases of violations of the act,  
7 the information shall be considered proprietary and trade secret  
8 information and shall not be subject to disclosure by the director to  
9 persons outside of the Department of Insurance except as agreed to by the  
10 small employer carrier or as ordered by a court of competent  
11 jurisdiction.

12 Sec. 39. Section 44-5266, Reissue Revised Statutes of Nebraska, is  
13 amended to read:

14 44-5266 (1) Each small employer carrier shall actively market health  
15 benefit plan coverage, including the basic health benefit plans and  
16 standard health benefit plans, to eligible small employers in the state.  
17 If a small employer carrier denies coverage to a small employer on the  
18 basis of the health status or claims experience of the small employer or  
19 its employees or dependents, the small employer carrier shall offer the  
20 small employer the opportunity to purchase a basic health benefit plan

10 a reasonable degree of safety. The Department of Motor Vehicles, ~~with the~~  
11 ~~advice of the Health Advisory Board,~~ shall adopt and promulgate rules and

15 bioptic or telescopic lenses which are specially constructed vision  
16 correction devices which include a lens system attached to or used in  
17 conjunction with a carrier lens; and

27 testing the applicant within ninety days of the applicant's license  
28 examination. If the vision reading meets the vision requirements  
29 prescribed by the department, the vision requirements of this section  
30 shall have been met. If the vision reading demonstrates that the  
31 applicant is required to use bioptic or telescopic lenses to operate a

1 motor vehicle, the statement from the optometrist or ophthalmologist  
2 shall also indicate when the applicant needs to be reexamined for  
3 purposes of meeting the vision requirements for an operator's license as

5 after the date of the application, the license shall be valid for two  
6 years. If such time period is less than two years, the license shall be  
7 valid for such time period.

12 and, through such personal examination and demonstration as may be

23 officer, when the director has reason to believe that a person may be

26 examination, ~~request the advice of the Health Advisory Board and may give~~  
27 notice to the person to appear before an examiner, ~~the board,~~ or a  
28 designee of the director for examination concerning the person's ability  
29 to operate a motor vehicle safely. Any such request by a law enforcement  
30 officer shall be accompanied by written justification for such request  
31 and shall be approved by a supervisory law enforcement officer, police

1 chief, or county sheriff.

8 examiner and forwarded to the director who shall cancel the person's
