3 81-520.01 (1) There shall be a statewide open burning ban on all  
4 bonfires, outdoor rubbish fires, and fires for the purpose of clearing  
5 land.

6 (2) The fire chief of a local fire department may waive an open  
7 burning ban under subsection (1) of this section for an area under the  
8 local fire department's jurisdiction by issuing an open burning permit to  
9 a person requesting permission to conduct open burning. The permit issued  
10 by the fire chief to a person desiring to conduct open burning shall be  
11 in written or electronic form and writing, signed by the fire chief by

14 departments with such forms.

15 (3) The fire chief of a local fire department may waive the open  
16 burning ban in the local fire department's jurisdiction when conditions  
17 are acceptable to the chief. Anyone intending to burn in such  
18 jurisdiction when the open burning ban has been waived shall notify the  
19 fire chief of his or her intention to burn prior to starting the burn.

20 (4) The fire chief of a local fire department may adopt standards

26 department. Such funds shall not reduce the tax requirements for the fire  
27 department. No such fee shall be collected from any state or political  
28 subdivision to which such a permit is issued to conduct open burning  
29 under subsection (2) of this section in the course of such state's or  
30 political subdivision's official duties.

31 Sec. 2. Section 81-520.03, Reissue Revised Statutes of Nebraska, is
