AM2452  
(Amendments to Standing Committee amendments, AM2433)

1 1. Strike sections 1, 8, and 10 to 34 and insert the following new
2 section:
3 Sec. 8. Section 77-4212, Reissue Revised Statutes of Nebraska, is
4 amended to read:
5 77-4212 (1) For tax year 2007, the amount of relief granted under
6 the Property Tax Credit Act shall be one hundred five million dollars.
7 For tax year 2008, the amount of relief granted under the act shall be
8 one hundred fifteen million dollars. It is the intent of the Legislature
9 to fund the Property Tax Credit Act for tax years after tax year 2008
10 using available revenue. For tax year 2017, the amount of relief granted
11 under the act shall be two hundred twenty-four million dollars. For tax
12 year 2020, the amount of relief granted under the act shall be three
13 hundred eighty million dollars. The relief shall be in the form of a
14 property tax credit which appears on the property tax statement.
15 (2)(a) For tax years prior to tax year 2017, to determine the amount
16 of the property tax credit, the county treasurer shall multiply the
17 amount disbursed to the county under subdivision (4)(a) of this section
18 by the ratio of the real property valuation of the parcel to the total
19 real property valuation in the county. The amount determined shall be the
20 property tax credit for the property.
21 (b) Beginning with tax year 2017, to determine the amount of the
22 property tax credit, the county treasurer shall multiply the amount
23 disbursed to the county under subdivision (4)(b) of this section by the
24 ratio of the credit allocation valuation of the parcel to the total
25 credit allocation valuation in the county. The amount determined shall be
26 the property tax credit for the property.

1 (3) If the real property owner qualifies for a homestead exemption
2 under sections 77-3501 to 77-3529, the owner shall also be qualified for
3 the relief provided in the act to the extent of any remaining liability
4 after calculation of the relief provided by the homestead exemption. If
5 the credit results in a property tax liability on the homestead that is
6 less than zero, the amount of the credit which cannot be used by the
7 taxpayer shall be returned to the State Treasurer by July 1 of the year
8 the amount disbursed to the county was disbursed. The State Treasurer
9 shall immediately credit any funds returned under this subsection to the
10 Property Tax Credit Cash Fund. Upon the return of any funds under this
11 subsection, the county treasurer shall electronically file a report with

16 returned.
17 (4)(a) For tax years prior to tax year 2017, the amount disbursed to

21 valuation in the state. By September 15, the Property Tax Administrator
22 shall determine the amount to be disbursed under this subdivision to each
23 county and certify such amounts to the State Treasurer and to each
24 county. The disbursements to the counties shall occur in two equal
25 payments, the first on or before January 31 and the second on or before
26 April 1. After retaining one percent of the receipts for costs, the
27 county treasurer shall allocate the remaining receipts to each taxing
28 unit levying taxes on taxable property in the tax district in which the
29 real property is located in the same proportion that the levy of such
30 taxing unit bears to the total levy on taxable property of all the taxing
31 units in the tax district in which the real property is located.
1 (b) Beginning with tax year 2017, the amount disbursed to each
2 county shall be equal to the amount available for disbursement determined
3 under subsection (1) of this section multiplied by the ratio of the
4 credit allocation valuation in the county to the credit allocation
5 valuation in the state. By September 15, the Property Tax Administrator
6 shall determine the amount to be disbursed under this subdivision to each
7 county and certify such amounts to the State Treasurer and to each
8 county. The disbursements to the counties shall occur in two equal
9 payments, the first on or before January 31 and the second on or before
10 April 1. After retaining one percent of the receipts for costs, the
11 county treasurer shall allocate the remaining receipts to each taxing
12 unit based on its share of the credits granted to all taxpayers in the
13 taxing unit.
14 (5) For purposes of this section, the credit allocation valuation means
15 the taxable value for all real property except agricultural land and
16 horticultural land, one hundred twenty percent of taxable value for

43 Sec. 65. (1) A program shall collect and verify records pertaining to the use of a vehicle, including, but not limited to, sharing periods, sharing period pick-up and drop-off locations, fees paid by a driver, and revenue received by an owner.

5 the structured review process. County attorneys, child advocacy centers,  
6 or law enforcement agency personnel may attend team reviews upon request  
7 of a party;

13 of the report means the person or persons identified in the report as

15 Sec. 2. Section 28-710.01, Reissue Revised Statutes of Nebraska, is  
16 amended to read:  
17 28-710.01 (1) The Legislature declares that the public policy of the  
18 State of Nebraska is to protect children whose health or welfare may be  
19 jeopardized by abuse or neglect. The Legislature recognizes that most  
20 families want to keep their children safe, but circumstances or  
21 conditions sometimes interfere with their ability to do so. Families and  
22 children are best served by interventions that engage their protective  
23 capacities and address immediate safety concerns and ongoing risks of  
24 child abuse or neglect. In furtherance of this public policy and the  
25 family policy and principles set forth in sections 43-532 and 43-533, it  
26 is the intent of the Legislature to strengthen the family and make the
27 home, school, and community safe for children by promoting responsible
28 child care in all settings and to provide, when necessary, a safe
29 temporary or permanent home environment for abused or neglected children.
30 (2) In addition, it is the policy of this state to: Require the
31 reporting of child abuse or neglect in home, school, and community
1 settings; provide for alternative response to reports as permitted by law
2 and the rules and regulations of the department; provide for traditional
3 response to reports as required by law and the rules and regulations of
4 the department; and provide protective and supportive services designed
5 to preserve and strengthen the family in appropriate cases.
6 Sec. 3. (1) The department shall recognize that:
7 (a) Alcohol and other drugs are often contributing factors in child
8 abuse and neglect;
9 (b) Alcohol and other drugs can impair a parent or caretaker's
10 judgment and ability to provide consistent care, supervision, and
11 protection; and
12 (c) Effective alcohol and drug testing is often necessary as one
13 tool to provide evidence of or rule out substance abuse as part of an
14 investigation or assessment of a child's safety or risk, to monitor
15 whether a parent or caretaker is continuing to use substances, and to
16 ensure treatment compliance.
17 (2) Alcohol and drug testing shall be a service available for all
18 court, non-court-involved, traditional response, or alternative response
19 cases. Alcohol and drug testing shall be one component of initial
20 assessment and ongoing case management to identify or eliminate substance
21 abuse as a contributing factor to child abuse and neglect in cases in
22 which drug or alcohol use or exposure is suspected.
23 (3) The department shall adopt and promulgate rules and regulations
24 or policies consistent with this section, and shall revoke any rules and
25 regulations or policies inconsistent with this section by July 1, 2020.
26 Sec. 4. Original section 28-710.01, Reissue Revised Statutes of
27 Nebraska, and section 28-710, Revised Statutes Supplement, 2019, are
28 repealed.
29 Sec. 5. Since an emergency exists, this act takes effect when
30 passed and approved according to law.

**AM2523**

1. Strike the original sections and insert the following new sections:
2. Section 1. Section 48-101.01, Revised Statutes Cumulative Supplement, 2018, is amended to read:
3. § 48-101.01. (1) The Legislature finds and declares:
4. (a) The occupations of first responders are recognized as stressful occupations. Only our nation’s combat soldiers endure more stress.
5. (b) On any given day, first responders can be called on to make life and death decisions, witness a young child dying with the child’s grief.
6. stricken family, make a decision that will affect a community member for the rest of such person’s life, or be exposed to a myriad of communicable diseases and known carcinogens;
7. (c) On any given day, first responders protect high-risk individuals from themselves and protect the community from such individuals;
8. (d) First responders are constantly at significant risk of bodily harm or physical assault while they perform their duties;
9. (e) Constant, cumulative exposure to horrific events make first responders uniquely susceptible to the emotional and behavioral impacts of job-related stressors;
10. (f) Trauma-related injuries can become overwhelming and manifest in post-traumatic stress, which may result in substance use disorders and even, tragically, suicide; and
11. (g) It is imperative for society to recognize occupational injuries related to post-traumatic stress and to promptly seek diagnosis and treatment without stigma. This includes recognizing that mental injury and mental illness as a result of trauma is not disordered, but is a normal and natural human response to trauma, the negative effects of which can be ameliorated through diagnosis and effective treatment.
12. (2) (A) Personal injury includes mental injuries and mental illness unaccompanied by physical injury for an employee who is a first responder or frontline state employee if such first responder or frontline state employee: 
13. (a) Establishes, by a preponderance of the evidence, that the employee's employment conditions causing the mental injury or mental illness were extraordinary and unusual in comparison to the normal conditions of the particular employment; and 
14. (b) Establishes, through a mental health professional by a preponderance of the evidence, the medical causation between the mental injury or mental illness and the employment conditions by medical evidence.
15. (3) The employee bears the burden of establishing the matters described in subsection (2) of this section by a preponderance of the evidence.
16. (4) A first responder may establish prima facie evidence of a personal injury that is a mental injury or mental illness if the first responder:
23 (a) Presents evidence that the first responder underwent a mental
24 health examination upon entry into such service or subsequent to such
25 entry and before the onset of the mental injury or mental illness and
26 such examination did not reveal the mental injury or mental illness for
27 which the first responder seeks compensation;
28 (b) Presents testimony or an affidavit from a mental health
29 professional stating the first responder suffers from a mental injury or
30 mental illness caused by one or more events or series of events which
31 cumulatively produced the mental injury or mental illness which brought
32 about the need for medical attention and the interruption of employment;
33 (c) Presents evidence that such events or series of events arose out
34 of and in the course of the first responder's employment; and
35 (d) Presents evidence that, prior to the employment conditions which
36 caused the mental injury or mental illness, the first responder had
37 participated in resilience training and updated the training at least
38 annually thereafter.
39 (5) For purposes of this section, mental injuries and mental
40 illness arising out of and in the course of employment unaccompanied by
41 physical injury are not considered compensable if they result from any
42 event or series of events which are incidental to normal employer and
43 employee relations, including, but not limited to, personnel actions by
44 the employer such as disciplinary actions, work evaluations, transfers,
45 promotions, demotions, salary reviews, or terminations.
46 (a) The Department of Health and Human Services shall reimburse a
47 first responder for the cost of annual resilience training not reimbursed
48 by the first responder's employer. The department shall pay reimbursement
49 at a rate determined by the Critical Incident Stress Management Program
50 under section 71-7104. Reimbursement shall be subject to the annual limit
51 under section 71-7104.
52 (b) To obtain reimbursement under this subsection, a first responder
53 shall submit an application to the Department of Health and Human
54 Services on a form and in a manner prescribed by the department.
55 (7) The Department of Health and Human Services shall maintain and
56 annually update records of first responders who have completed annual
57 resilience training.
58 (8) For purposes of this section:
59 (a) First responder means a sheriff, a deputy sheriff, a police
60 officer, an officer of the Nebraska State Patrol, a volunteer or paid
61 participant, or a volunteer or paid individual licensed under a license
62 classification in subdivision (1) of section 38-1217 who provides medical
63 care in order to prevent loss of life or aggravation of physiological or
64 psychological illness or injury;

Sec. 2. Section 71-7104, Reissue Revised Statutes of Nebraska, is amended to read:

The focus of the program shall be to minimize the harmful effects of critical incident stress for emergency service personnel, with a high priority on confidentiality and respect for the individuals involved.
