The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 599 requires that computer access to triage database systems be provided to the Ombudsman's Office. The purpose of this bill is to allow for the Ombudsman's Office to view the tracking of complaints as reported to the Department of Health and Human Service divisions of Children and Family Services (APS), Public Health (Licensure and Regulations) and the long-term Ombudsman's office.
