*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 83 would change the name of the Local Civic, Cultural and Convention Center Financing Fund to the Nebraska Tourism Development Advantage Fund, expand the maximum grant limits established for municipalities, and would expand the use of the fund to include grants to private tourism entities. The provisions of LB 83 may expand the possible uses of the fund, but it would not impact the revenue received into the fund or the total expenditures from the fund.
