LB 160 removes a requirement from the Secretary of State that the office use certain reports to assist in identifying trusts engaged in farming or ranching activity.

LB 160 also changes the disposition of any fines received under section 76-1523(2). Currently, any such fines are credited to the temporary school fund. LB 160 changes this so the fines are distributed in accordance with Article VII, section 5 of the Constitution of Nebraska. Article VII, section 5 states:

shall belong and be paid over to the counties respectively where the same may be levied or imposed, and all fines, penalties, and license money arising under the rules, bylaws, or ordinances of cities, villages, precincts, or other municipal subdivision less than a county shall belong and be paid over to the same respectively. All such fines, penalties, and license money shall be appropriated exclusively to the use and support of the common schools in the respective subdivisions where the same may accrue

No fiscal impact.
