FEDERAL FUNDS				
OTHER FUNDS				
TOTAL FUNDS				

*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 86 eliminates the statutory reference to the legislative reference library in section 50-416.

While this bill removes the statutory reference to the library, the Executive Board of the Legislative Council would still have the authority to continue the operation of the library under its general statutory charge in section 50-401-01. Therefore, the bill would allow but not mandate cost savings related to the operation of the reference library.
