This bill would change definitions of wages for the Nebraska Workers' Compensation Act.

The Workers' Compensation Court estimates no fiscal impact from the provisions of this bill.

AS Risk Management states it would be difficult to predict cases fitting this description in order to determine a fiscal note.

Explanation of Estimate: LB 506 would change how wages are determined when calculating death benefits for a **retired worker** who dies as the result of an occupational disease. It would set the rate of pay in effect on the last day employed by the employer found liable for the occupational disease.

It would be difficult to predict cases fitting this description in order to determine a fiscal note.
