Return by date specified or 72 hours prior to public hearing, whichever is earlier.

Explanation of Estimate:

It is our understanding the bill proposes sex offender registrants in a specific category outlined in this bill would be able to seek a reduction of their registration from 25 years to 10 years if they have met established criteria, and successfully complete a sex offender treatment program. The request for reduction would be set to the State Patrol and require review of the individual case to determine if the established criteria has been met.

No anticipated fiscal impact.
