This bill would change provisions and penalties relating to issuing or passing a bad check or issuing a no-account check.

The bill adds this provision:

the court may, as a condition of probation, require such person not be an account holder of any account in which the funds are accessed by check or draft for the term of his or her probation. The funds in such an account may be accessed by debit card without violating the conditions of such person's probation.

It appears that this bill will not have a fiscal impact on the state or political subdivisions.

The Supreme Court estimates no fiscal impact from this bill.
