LB 979 amends Nebraska Revised Statute Section 9-326 dealing with the Nebraska Pickle Card Lottery Act to clarify that an incorporated or unincorporated volunteer fire company, volunteer first-aid, rescue, ambulance, or emergency squad does not have to have been in existence for five years before applying for a license to conduct a pickle card lottery.

The Department of Revenue indicates no fiscal impact or cost as a result of LB 979.

We agree with the Department's estimate of fiscal impact and cost.

^{*}Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 979 clarifies that both "incorporated and unincorporated" volunteer fire companies or volunteer first-aid, rescue, ambulance, or emergency squads are exempt from the requirement of Neb. Rev. Stat. § 9-326 (2) (e) that an organization be in existence for at least five-years prior to applying for a license to conduct a lottery by the sale of pickle cards.

It is estimated that there will be no cost to the General Fund to implement this bill.

It is estimated that the cost to the Department to implement this bill will be minimal.
