This bill would provide an employer defense under the Nebraska Workers' Compensation Act.

The Workers' Compensation Court estimates no fiscal impact from this bill.

Administrative Services states that because of the nature of the defense, it is not possible to predict when and/or if it would be used and therefore it is not possible to predict litigation costs in and around asserting such a defense. Based on these uncertainties no fiscal impact can be determined for Administrative Services.

Explanation of Estimate:

LB 909 would provide an affirmative defense for employers for misrepresentation by an employee in obtaining employment. Because of the nature of the defense, it is not possible to predict when and/or if it would be used and therefore not possible to predict litigation costs in and around asserting such defense. Based on these uncertainties no fiscal impact can be determined for the Department of Administrative Services.
