LB 992 amends the Nebraska Liquor Control Act regarding a minor's presence on a licensee's premises.

The bill prohibits a minor's entry and presence on the premises of any establishment holding a Class A, Class C, or Class I license other than a club, hotel, or restaurant unless the minor is an employee of the establishment.

Any person violating this prohibition is guilty of a Class IV misdemeanor.

The Liquor Control Commission indicates the fiscal impact of LB 992 is unclear, that there could be an increase as it relates to additional hearings due to increased citations.

We believe there is no fiscal impact as a result of LB 992. If there is an increase in citations and, therefore, hearings we believe these can be handled in the normal course of the Commission's business.
