COMMENTS: The agency provided no detail supporting the analysis of \$28,000 impact on the University of Nebraska as a result of LB 352, however, the bill would appear to require posting of signs prohibiting carrying of concealed weapons on the door of each entrance to each building on each campus, including stadiums. The Nebraska State Patrol is tasked with creating the signage to specific standards. The University would need to purchase or copy such signs and distribute and place them accordingly.
