LB 129 reinstates the per diem for the five board members of the Board of Educational Lands and Funds (BELF). The per diem was eliminated beginning October 1, 2011. The bill establishes a \$50 per day per diem, which is a \$10 increase over the per diem amount that was eliminated in FY2011-12. The board is required to meet monthly in Lincoln.

BELF estimates a fiscal impact of \$10,227 of cash funds per year to pay board member per diems. An increase in expenditures by the board reduces funds available to schools as state apportionment. An A bill will not be needed to implement the provisions of the bill because the appropriation for the board is not limited to the amount shown in the budget bill.
