LB 628 would extend the termination date of the Small Business Innovation Act from December 31, 2013 to December 31, 2014. LB 628 would also revise the definition of a Nebraska-based growth business and lower the minimum number of employees from five to two. Because LB 628 does not amend provisions of the Small Business Innovation Act that specified total program appropriations, it is estimated that existing funding would be carried over in FY13-14 and used to operate the program until its termination date.
