LB 1059 changes the membership of the learning community coordination council. There is currently only one learning community in the state which is composed of eleven member school districts in Douglas/Sarpy counties. Currently, the learning community coordination council is composed of eighteen members, twelve elected members and six appointed members. The appointed representatives are school board members of school districts in the learning community. The bill eliminates the current members and provides for the superintendents of the member school districts to comprise the council.

The decrease in council membership may have a fiscal impact for the learning community in terms of decreased expenditures to reimburse council members for expenses. Any fiscal impact is projected to be minimal.
