**Explanation of Estimate:** The proposed bill prohibits any state agency from entering into a contract that guarantees payment for services not provided, unduly restricts the state agency from taking action in the public interest, or unfairly places the burden of risk under the contract on taxpayers. It also prohibits contract provisions that guarantee a certain occupancy rate for private prisons or other contracted facility, that prohibit a state agency from maintaining, improving, or building public infrastructure; or that penalize a state agency if a contractor loses revenue as a result of natural or manmade emergencies. The remainder of the bill pertains to the Private Prison Contracts.

The bill has no fiscal impact on Administrative Services.
