This bill will to adopt the Peace Officer Employer-Employee Relations Act.

The Office of Probation Administration estimates the following costs associated with this bill:

	FY2007-2008	FY2008-2009
Tuition, board & lodging at Training Center	1,919,766	671,918
Equipment & training to arm probation officers	1,133,005	396,552
TOTAL	3,052,771	1,068,470

Probation Administration notes that to comply with this bill, all probation officers (PO's) would need to attend the Nebraska Law Enforcement Training Center in order to become sworn officers.

Probation Administration also notes that it appears that this bill requires PO's to be armed, and this would require equipment and training expenditures. Probation Administration notes that arming PO's is currently against current policies, and if this is what the bill requires, Probation Administration considers it a technical defect.

In subsequent years, Probation Administration estimates costs at 35% of first year expenditures.

Last Session, the University of Nebraska, Department of Correctional Services (DCS), and Lancaster County all estimated no fiscal impact.
