LB 138 names the Land Surveyors Regulation Act and adds a new section to the statutes governing land surveying in Nebraska.

The bill amends a number of the land surveyor sections of statute to name the Act and harmonize language.

LB 138 adds a new section providing legislative intent and detailing the elements of a code of practice for land surveyors. It also gives the State Board of Examiners for Land Surveyors rule and regulation authority to establish a code of practice. In addition, the board may publish commentaries, which are used to explain the meaning of interpretations given to the code of practice by the board.

The Board of Examiners for Land Surveyors indicates no fiscal impact as a result of LB 138.

We agree with the Board's estimate of fiscal impact.
