Explanation of Estimate:

LB 326 changes provisions in the Uniform Controlled Substances Act relating to marijuana, amphetamine, and methamphetamine. It creates a new criminal sanction for possession of ingestible mixtures or substances containing any amount of marijuana or tetrahydrocannabinol (THC), both natural and synthetic, which is consistent with the current sanction for possession of more than one pound of marijuana -- a Class IV felony. The bill also creates a new criminal penalty for manufacturing ingestible compounds, mixtures, or substances containing any amount of marijuana or THC, both natural and synthetic -- a Class III felony.

There is no Fiscal Impact to the Department of Health and Human Services.
