This bill would create the offense of false presentation of proof of liability insurance and provide penalties.

The Department of Correctional Services (DCS) estimates a minimal fiscal impact from this bill.

For every inmate, the Department of Correctional Services (DCS) incurs per diem costs. The FY14 per diem cost for an individual inmate was \$7,124 per year. This is the cost for food, medical care, inmate wages, clothing, cleaning supplies, food service supplies, cell and dorm supplies, other supplies, and transportation.

As of January 31, 2015, the inmate prison population was almost 160% of design capacity. On January 31, 2014, the inmate prison population was almost 155% of design capacity.

Explanation of Estimate:

LB 433 creates the offense of false presentation of proof of liability insurance, punishable as a Class I misdemeanor. Currently, providing false information to a peace officer or public official with the intent to impede an investigation is prohibited by section 28-907 and is punishable as a Class 1 misdemeanor.

The bill also prohibits providing false insurance information in order to obtain a vehicle registration, which is not prohibited under 28-907. NDCS has no basis to estimate how prevalent this current practice is or how often it would be prosecuted under LB 433. Additionally, only those individuals who would receive the maximum penalty of 1 year to 1 year would be prison eligible under LB 433. In FY 2014, NDCS had only 4 admissions to prison for providing false information to a peace officer under 28-907.

As current law already prohibits most of the conduct prohibited by LB 433 and there is no basis to estimate the number of successful prosecutions for providing false insurance information to obtain a vehicle registration, the Department estimates minimal fiscal impact from the adoption of LB 433.
